

American
Academy

The International School for Pioneers

XCL American Academy strives to inspire the next generation of pioneers and empower them to leave a positive mark on our ever-changing world.

We believe in equipping our students with the tools, mindset and experiences they will need to be at the forefront of this change and be agents of their own success.

Through our mission to harness, guide and ignite the 'Pioneering Spirit' in every student, we encourage them to develop a challenger mindset and fulfill their potential while embracing the core American values of respect, honor, and courage. By focusing on what really matters to both students and parents, we provide a high quality, exceptional value, values-driven learning experience accessible to all.

Rigorous Curriculum

A carefully designed academic program designed to deliver an authentic, comprehensive and forward-thinking American international education that closely follows the AERO/ Common Core curriculum guidelines.

Accessible to All

XCL American Academy is able to deliver high-quality, rigorous and accessible American education at exceptional value by focusing on what really matters to our students and parents.

Igniting The Pioneer Spirit

Unique character development program embedded in all aspects of school, designed to instill core human values, develop confidence, build crucial life skills and provide students with experiences they need to become pioneers of tomorrow and succeed in an ever-changing world.

Purpose-Designed Campus

Singapore's newest purpose-designed American School campus - just 20 minutes away from downtown Orchard Road, providing easy access to world-class arts, sports and technology facilities at the adjacent XCL World Academy.

Gateway to America

Our goal is to offer the best preparation for your child to eventually study, live and work in the United States.

Seamless Pathways to High School & Beyond

A unique gateway to a variety of pathways in high school and beyond through XCL World Academy High School, XCL Education group of schools, and partnerships with higher learning institutions.

Quality Academics for Young Pioneers

XCL American Academy provides students with the opportunity to learn within a unique learning environment

Underpinned by American values and a personal character development program that provides full immersion in a proven curriculum and prepares them to become agents of their own success. There is a strong emphasis on the development of academic, social and practical skills necessary to enter schools, colleges, universities and beyond, whether in the United States or anywhere else around the world.

What do we offer?

Nursery

Kindergarten

Elementary School

Middle School

High School at XCL World Academy and beyond

Rigorous Standards-Based Curriculum

We offer a rigorous and balanced American curriculum directly aligned with project AERO and the US Common Core, allowing easy transition to any other similar American curriculum school globally. It is designed to encourage students to demonstrate skills and knowledge obtained at each age and stage and provides the opportunity for each individual to experience authentic, practical, real-life lessons and tasks.

We also adopt internationally recognized curriculum programs such as the University of Chicago Everyday Math, Inspired Science and a balanced approach to literacy with materials from Scholastic.

Personalized Learning

In addition to ensuring that each child learns important academic fundamentals, we focus our attention on helping students find their passion, master the necessary skills and knowledge they need to be independent learners, and make choices that are right for them – such as choosing which academic pathway best suits their future goals and dreams. Aside from having highly trained teachers to facilitate this, we will be using a tool, IXL, that provides content and insights to enable our students to learn at their own pace, tailored to every student.

Our Educators

We believe that students, parents, and educators comprise three essential pillars in building a successful, high performing school. The faculty and staff are the backbone of XCL American Academy. Our teachers will hail from around the world, be experts in their fields, have extensive experience teaching the American curriculum, and be ready to inspire and support students in and beyond the classroom.

The faculty and staff work as one team to provide a rigorous yet warm and safe learning environment that challenges and empowers every child to grow and succeed. They provide leadership, guidance, and rigorous instruction while maintaining high academic and behavioral standards.

Character Development Program

XCL American Academy strives to inspire the next generation of pioneers and empower them to leave a positive mark on our ever-changing world.

We believe in equipping our students with the tools, mindset and experiences they will need to be at the forefront of this change and be agents of their own success.

Our Pioneer Spirit Program is designed to help our students forge their character and become pioneers of tomorrow. We believe that participation in this character development program during the formative years of a young mind has the power to carefully influence a child's learning journey for the rest of the child's life.

Pioneer Spirit Program spans all grade levels, from Nursery to Grade 8

Teachers are trained with the necessary tools to be mentors in guiding our students' character development as we work towards building a school environment which is safe, inclusive, caring and encouraging

It is geared not just to students but also families, teachers and staff

The Pioneer Spirit Program is based on the award-winning Second Step family of social-emotional development programs that provide a holistic, coordinated, and community-wide approach to build stronger communities to support students' development of crucial life skills to succeed at school and in their lives. Students can maximize their learning when they are in a school culture and climate conducive to building success.

Second Step is aligned with other well-regarded frameworks, standards and interventions such as CASEL, MTSS, RTI, PBIS and Common Core

Second Step is used by thousands of schools around the world, benefiting more than 16 million children each year

Better communication between students and parents, teachers, and other members of the community

Provides a common language in which the school community can communicate

Positive school culture and learning environment

Improved academic performance and social skills

Students feel safe, supported and ready to make the most of their education

Reduced issues related to mental well-being

Building A Unique Student Experience

Explore, innovate and seek new challenges with XCL American Academy through an entrepreneurship program which is unique to our school.

Fun and Engaging Way to Learn and Practice New Societal Concepts

Pioneer Town is a real, living, breathing town that students will create and build together with their classroom teachers. Our students will be receiving authentic, globally relevant instruction from experts associated with Ivy League colleges and universities in the United States.

At the end of the project, students will participate in a large-scale, open-ended simulation of a town, where they can engage in role-playing and take on different responsibilities in a self-contained economy, learning essential concepts such as economics, negotiation, innovation, leadership, sales, commerce and many others.

Strong Focus on Entrepreneurship

Students from different grade levels will work in teams on various entrepreneurial projects over the course of the school year, mentored by our trained teachers.

Exposure to Real Companies and Industry Experts

After performing market research, conducting customer interviews, working as a team to devise a business plan, and listening to business mentors, students will present their solutions directly to an invited expert panel of judges, simulating a real-world pitch session.

What Your Child Can Expect?

Hone their communication and collaboration skills, also to develop respect, empathy, camaraderie and trust to prepare them for leadership roles.

Develop an appreciation for critical concepts in society and interlinkages between them.

Apply what they've learnt in a 'real world' setting, and showcase their skills and talents to the world.

Learn what it takes to be a contributor entrepreneur and leader.

Unique and Unrivaled Extra-Curricular Activities

We recognize the importance of extra-curricular activities (ECAs) for our students' holistic and well-rounded development. Our program has been thoughtfully designed to offer a breadth of activities while also providing our students with the flexibility to choose activities that really matter to them.

Wide Selection

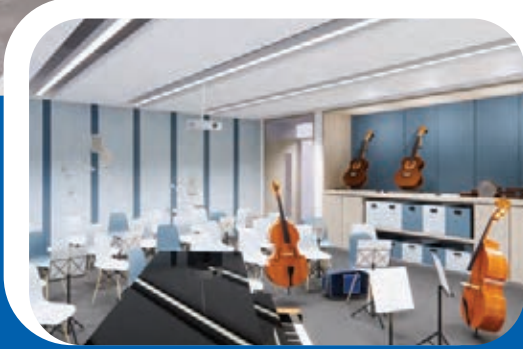

Through the exclusive partnership with our neighboring school XCL World Academy, XCL American Academy students will be able to access a broad selection of ECAs, right from the school's first term, including competitive and non-competitive sports, music, art, drama and dance, academic extensions, coding, Scratch programming, STEM activities, Esports and many others.

High-Quality Instructors

Most ECAs will take place after school and will be conducted by qualified members of our faculty and carefully vetted professional instructors that are well-versed with school policies, standards and child safeguarding regulations.

Personalized ECAs Program Designed Together with Our Founding Families

We are excited to work with our Founding Families to develop our ECAs program together. Prior to the start of the academic year, all founding families will be invited to share their preferences to help us design the best program that caters to their individual needs and desires, allowing us to focus on what really matters to our community.

World-Class Facilities

We are very fortunate to be co-located with our neighboring school, XCL World Academy, as our students will be provided with an opportunity to access a comprehensive suite of world-class facilities such as an eSports lab, a 50-meter Olympic-sized swimming pool, a multi-purpose sports hall (equipped with an indoor 15-meter rock climbing wall), an all-weather outdoor sports field, tennis courts, cricket/baseball batting nets and a 750-seat auditorium. We are also a stone's throw away from the Orchid Country Club, equipped with an impressive 160-bay golf driving range.

Build skills and nurture talent and interests at an early age

Hone critical skills such as leadership, communication and teamwork

Make friends and develop lasting relationships with others outside of regular class

Build confidence, discipline and resilience

Develop a mindset that encourages students to push boundaries and challenge themselves

Start building skills, experiences and foundations that can help your child to stand out

Application & Enrolment

A Application Fee of \$888 is required to start the admissions process. This fee (upfront, non-refundable) covers the administrative cost of the necessary assessments conducted by our academic leadership team, teachers, and support staff before your child is offered a place in school.

Once your application is completed, the Enrolment Team will review your child's application and administer an assessment wherever applicable. Should your child be offered a place with our school, you will be required to pay an one-time non-refundable Enrolment fee of \$2,480 (upfront, non-refundable) to complete the application.

Annual Tuition Fees

Contact us to learn more about our installment options.

GRADE	TUITION FEE	FOUNDING FAMILY (FF) PRIVILEGES	NET ANNUAL FEE
Nursery	SGD 22,370	(SGD 2,000)	SGD 20,370
Pre-K	SGD 23,420	(SGD 2,000)	SGD 21,420
KG1	SGD 23,945	(SGD 2,000)	SGD 21,945
KG2	SGD 26,900	(SGD 2,000)	SGD 24,900
Grade 1	SGD 26,900	(SGD 2,000)	SGD 24,900
Grade 2	SGD 26,900	(SGD 2,000)	SGD 24,900
Grade 3	SGD 27,900	(SGD 2,000)	SGD 25,900
Grade 4	SGD 27,900	(SGD 2,000)	SGD 25,900
Grade 5	SGD 27,900	(SGD 2,000)	SGD 25,900
Grade 6	SGD 29,900	(SGD 2,000)	SGD 27,900
Grade 7	SGD 29,900	(SGD 2,000)	SGD 27,900

Apply Today. 5 Easy Steps

1

Application

Submit an online application via OpenApply and upload all required documents.

2

Application Fee

Pay the Application fee (upfront, non-refundable) to initiate the application

3

Application Review

Submitted applications will be reviewed by the Enrolments Team and Education Leadership Team. Some applicants may be invited to sit for an English Language proficiency assessment or attend a Family Meeting with our Education Leadership Team. Our Admissions Team will take care of all arrangements.

4

Offer

Successful applicants will receive an official offer letter from the school's Admissions Department. As part of the application process, you will be required to pay an upfront, non-refundable enrolment fee upon receiving the offer letter. After that, you will receive a Student Contract for your review and acceptance, as well as an invoice for the first semester tuition fees.

5

Enrollment

Once all documentation is submitted and fees paid, your family is all set to start your learning journey with us. You will receive a Welcome Information pack and be all set to start your pioneering journey!

If you have any questions about the school or the admissions process get in touch with our friendly Admissions Team today.
